

LAWSUIT ACADEMY

Don't just learn the Nuts and Bolts of a lawsuit, learn to loosen and tighten them.

The husband and wife team of Darya and Randy Klammer at The Klammer Law Office, Ltd. offer your organization their free lawsuit academy. Offer your members the benefit of a no cost, high energy, one to two hour session on the nuts and bolts of any lawsuit tailored to any specific needs of your members.

Whether as a plaintiff or a defendant, in a business dispute or divorce matter, when money or freedom is on the line,

THE MYSTERY OF A LAWSUIT CREATES DISCOMFORT.

Educating our clients on the litigation process, the reasons why certain procedures occur, and what aspects of the case they can control, can

ELIMINATE ANXIETY.

Anxiety gone, the attorney-client relationship is stronger and the clients

MAKE BETTER DECISIONS.
